

SUICIDE KARAOKE LIVE!

HOST QUICK REFERENCE

BASIC FLOW: DRAW PARTICIPANT → DRAW THEIR SONG → FIND/PLAY THE KARAOKE TRACK → PERFORM / DARE → NEXT ROUND

KARAOKE SOURCE: Use your preferred karaoke platform, karaoke song files, or suitable YouTube karaoke videos. On YouTube search **Song Title + Artist + Karaoke**.

HOST ACTION	WHAT TO DO
SETUP	Sign in to Host Control -> open/create the correct session -> open Game Screen on the TV/display.
GUESTS	Participant QR = add names. Song / Dare QR = add songs and optional dares. Make sure both are for the current Session ID.
ROUND - STEP 1	Press DRAW PARTICIPANT. Fate selects the singer.
ROUND - STEP 2	Press DRAW THEIR SONG. The selected singer/song matchup appears.
PLAY THE TRACK	Use any karaoke platform or your karaoke song files. On YouTube search: SONG TITLE + ARTIST + KARAOKE.
PERFORM	Singer performs the drawn song. If they do not drink, use I DON'T DRINK - SHOW MY DARE.
NEXT	Press NEXT ROUND / START FRESH ROUND and repeat.
UNDO	Use Undo Last Participant or Undo Last Song to correct the most recent draw.
RESET	Reset Participants or Reset Songs returns that draw pool for reuse. Use deliberately.
SONG LIBRARY	Host Control can export songs to CSV and import songs by Add or Replace mode.
HOST TIP	Keep Host Control private; put the Game Screen on the room display. Have the karaoke playback source open and ready.
